Considerado em seu tempo o Mensageiro dos Deuses, ele viveu sob os prósperos signos das dinastias divinas, imprimiu o selo da vida espiritual em seu povo, e implantou a tradição sagrada, os santos rituais, os mistérios e escreveu diversas obras. Fundou também as Escolas de Sabedoria anexas aos Santuários Maiores, onde se ensinavam medicina, astronomia, astrologia, botânica, agricultura, geologia, ciências naturais, matemáticas, música, arquitetura, escultura, pintura e ciência policial. A Ciência hoje chamada Hermética permanece ainda viva, e este livro reúne, para reflexão dos estudiosos, alguns dos seus preceitos considerados fundamentais. Resource Page An online ebook edition of The Kybalion - this book is a study of basic hermetic teachings that outline a timeless wisdom. In ancient times (and even today) these teachings were not understood by the layman, but were easily understood by the students, after the axioms and principles were explained and illustrated by the Hermetic initiates and Masters to their Neophytes. The Kybalion was originally written in the early 1900s and is now in the public domain. A priceless gem! Ad The Kybalion is available in PDF format. Click here to view/download the PDF file. The Kybalion - Illustrated Edition An illustrated edition of The Kybalion is available that contains images that complement the work. It is available as an ebook and in paperback or hardcover. Barnes & Noble NOOK users can obtain The Kybalion from bookstore B&N's NOOK. Apple iPad, iPhone or iPod touch users, look for Kybalion in the iBookstore. The Kybalion is available in the Google Play Store. The Kybalion is available in ePub format that can be read on smartphones and other mobile devices. Buy it from E-junkie. The illustrated edition of The Kybalion is available paperback and hardcover. This print edition comes with black and white illustrations and is available from Amazon. The authors of The Kybalion chose not to associate their names with the book, possibly because the and philosophy it outlines cannot be credited to a person. Were they self-proclaimed initiates or did someone or something initiate them? And if they were initiated, who or what did it and what was the initiation? As mysteries abound, explore the rest of the links on this page and see where they lead you. Ad Some say Case is an author of The Kybalion. Paul Foster Case Resource Page Paul Foster Case – Timeline Yogi Ramacharaka aka William Walker Atkinson Stories suggest Atkinson Was one of the authors after meeting with a traveler from the East. In the book The Kybalion: The Definitive Edition, the religious scholar Philip Deslippe states that William Walker Atkinson is the sole author of The Kybalion. Alchemy texts archives - Kybalion An archived 1997 newsgroup discussion about The Kybalion and its authors. History of the Kybalion The Occult Library discusses the authors of The Kybalion. Could an insider have been a woman? The Chapter of the Kybalion on the Divine Paradox mentions Herbert Spencer who was an English philosopher, prominent classical liberal political theorist, and sociological theorist of the Victorian era. Spencer developed an all-encompassing conception of evolution as the progressive development of the physical world, biological organisms, the human mind, and human culture and societies. His books are available from Amazon. Thomson J. Hudson's Chapter of Kybalion on Mental Sex also mentions Thomson J. Hudson who was a psychic researcher and stands for his three laws of psychic phenomena, first published in 1893. Dr. Hudson advanced theories of the objective and subjective mind. His books are available from Amazon. Viewing PDF files requires Adobe Acrobat Reader. ... all things [evolve] from other things, and solving in other things... — The Kybalion Therefore, change should also apply to The Kybalion. Although The Kybalion is a great book, you have to admit that the language is slowly becoming more outdated. A newer publication has evolved that breathes new life into an age-old philosophy ... Photo © and courtesy of Summum Summum and The Kybalion If you liked The Kybalion, you'll enjoy the book you'll find here. It offers ideas to questions and issues that are not found in Kybalion. See the Grand Principle from which the Seven Principles originate. It's the jewel beneath the treasure. The voice of wisdom is silent, except for the open mind. — Summum The epilogue of the Summum book tells a very fascinating story about one man's research into The Kybalion and what he discovered. Epilogue of the Summum book History was made when the Seven Hermetic Principles went before the Supreme Court of the United States in November 2008. The question was about whether Summum, a spiritual organisation principles, a monument of principles could erect next to a monument of the Ten Commandments in a city park. From the Alternative Religions Blog on About.com: If Paul Case were still alive today, I wonder what he would make the Supreme Court's decision to hear arguments from the town of Pleasant Grove, Utah, which seeks to prevent a monument of the Seven Hermetic Aphorisms from being placed next to his Ten Commandments. On February 25, 2009, the United States Supreme Court ruled. All nine judges voted unanimously against the monument of the Seven Principles. It just goes to show you the rule of paradox is always in force – the highest law of the land was unable to recognize the highest laws of nature. For more information, click here to do a Google search for articles about the case. And if you're inclined to read the legalese, click on this link to view the copy of the Supreme Court ruling. We apologize for this inconvenience. Your IP address is automatically blocked from accessing the Project Gutenberg website, www.gutenberg.org. This is because the geoIP database indicates that your address is in the country of Germany. Diagnostic information: Blocked at germany.shtml Your IP address: 176.9.137.118 Referrer URL (if available): Browser: Mozilla/5.0 (Windows NT 6.1) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/41.0.2228.0 Safari/537.36 Date: Saturday 31-Oct-2020 20:02:56 GMT Why did this block arise? A court in Germany has ordered that access to certain items from the Gutenberg project collection from Germany be blocked. Project Gutenberg considers that the Court does not have jurisdiction over the case, but until the matter is resolved, it will comply. For more information about the German lawsuit, and the reason for blocking all of Germany instead of some items, visit PGLAF's information page about the German lawsuit. For more information on the legal advice Project Gutenberg has received on international issues, visit PGLAF's International Copyright Guidance for Project Gutenberg This page in German Automated Translation (via Google Translate): translate.google.com How can I get unblocked? All IP addresses in Germany are blocked. This block will remain in force until the legal guidelines change. If your IP address search is incorrect Use the Maxmind GeoIP demo to verify the status of your IP address. Project Gutenberg updates its list of IP addresses approximately monthly. Occasionally the website misapplies a block of a previous visitor. Because blocks are applied temporarily, you should later try again to visit if Maxmind shows your address as being outside Germany. If your IP address is shown by Maxmind to be outside Germany and you were temporarily blocked, another problem is that some web browsers mistakenly cache the block. Trying another web browser can help. Or, erasing the history of your visits to the site. I have other questions as to whether the to report an error Please send an email to the above diagnostic information to help2020 @pplaf.org (removing the spaces around the @) and we will try to help. The software we use sometimes marks false positives - that that's what blocks that should not have taken place. Apologies if this has happened because human users outside of Germany who use the eBooks or other site features should almost never be blocked. Updated most recently: January 28, 2020. 2020.
